## CASS REPORT

The Combined Arts Society 2020 events Art at the Top, Art in the Mountains and Art Direct cannot go ahead as planned.

While a lot of work had gone into organising the venue, accommodation and tutors for Art at the Top, the uncertainty of being able to hold the event the committee could not be sufficiently confident that we will be 'safe' to enjoy such gatherings.

The good news however is that the CASS Committee have been in conversation with Gallery ONE88 and have postponed Art in the Mountains to a similar time for next year and the Stanwell Tops venue organisers have also been able to reserve our October time slot for Art at the Top in 2021.

### Art of Sydney Awards

Members of our societies will be able to access the online form for the 31st Art of Sydney Awards via the new website, make their payment by direct debit or PayPal and after we check the artist is a financial member, they will be provided with information about uploading the images of their work.

If you are an exhibiting member of any Sydney Art Society then you are eligible to enter this competition.

# KAS WORKSHOPS 2020

Check the KAS Website for booking and payment details [www.ourkas.com.au](http://www.ourkas.com.au)

**Stephen Hall** 19 September 2020

## Adventures in Ink

Our September workshop could be held once more at East Lindfield Community Hall. The Hall is very clean and we complied with all the Covid 19 protocols. It was great to be back participating in person with other members and our tutor.

It was only Stephen's enthusiasm for ink which was infectious (!) and he showed us many various techniques for using this medium, both on its own and with other media. We discovered the joys of loose ink backgrounds juxtaposed with fine detailed line drawing. We had a go at both portraits and landscapes. He also demonstrated dry brush technique, drawing a horse upside down so we could see it the right way up! (see photo)

As always, our workshop gave us with a fun but productive day.

## Upcoming Workshop...

**Cheryl Bruce** 7 November 2020

Don't miss our next workshop - painting figures and faces in watercolour with Cheryl Bruce, in person at West Lindfield Hall.

Learn the easy way to pop people into your scenes and techniques to quickly form a larger face with features. This is not a portraiture class, but sometimes our figures need a little more detail if the face is a size that needs a little more shape to suggest features, glasses, hair etc. Let's form some shadows to see the face emerge.

This is a watercolour workshop, but if you paint in a different medium and still want to practise these techniques they will translate.

## Support our Sponsors

Our wonderful sponsors support us at every Awards Exhibition. Although we aren't holding the Awards Show this year, we look forward to their support again next year (hopefully). We couldn't offer the wonderful prizes we do without their help. They are, on the whole, small businesses who will be struggling with the current restrictive environment. If you need art materials – with so much time to work at home – think about ordering from one of our sponsors.
